Environment & Sustainability

We take our responsibility to the environment very seriously. We are committed to promoting, where possible, products and services that have minimal impact on the world around us:

- ▶ Paper products from ecologically sustainable forests
- ▶ Biodegradable chemicals, with raw materials from renewable resources
- ▶ Products with recycled or recyclable packaging

We sell products that have achieved strict environmental standards accreditations:

Ivory Luxury Handwash

Produces a rich lather in seconds

Millwood Ivory Luxury Lotion Soap is designed for use as a liquid hand and body soap. It is a powerful cleaning agent, yet extremely mild to the skin since it contains glycerine. Designed for use in pump action dispensers.

Washroom

- Dispensing Systems

Most of us never give the washroom a second thought. Until we need to visit one. Then it becomes the most important room in the building. Wherever you work, whatever your needs, Millwood's range of hygiene-focused dispensing systems can help you achieve a clean, appealing and fresh washroom experience for the benefit of all users. Whether your focus is saving money, reducing waste, preventing vandalism or a high quality image, we provide a complete solution from design and supply through to installation and maintenance.

Baywest

Dispensing System

Baywest are at the forefront of dispenser technology and the products have been specifically designed to reduce paper consumption. Baywest were the first UK 'away from home' brand to provide a range of accredited environmentally preferred washroom products.

High Capacity combined with long run out means there is a significant reduction in the number of service visits.

Reduced Pilferage: the system dispensers are equipped with secure locking device.

Stops Abuse: dispensers are constructed with a very durable plastic, minimising damage.

No Stub Roll Waste: the system has been designed so all the towel/toilet roll is used 100% before the new roll is activated. Dispensers come with built in spirit level for easier installation.

Alliance

Hand Towel Roll Dispenser

Electronic hands free dispensing. Holds two full rolls. Automatic transfer to second roll. Valet or on-demand options. Dispenser Size: W322mm x H490mm x D279mm. Available in Black or White

DH89W - White

DH89BK - Black

Optiserv Hands-Free

Hand Towel Roll Dispenser

Controlled usage dispenser delivering pre-measured towel. Reduces over-use and wastage. High capacity dispenser with stub-roll transfer mechanism. User has limited contact with anything other than the towel. Dispenser Size: W308mm x H427mm x D249mm.

DR89BK - Black

DR89BL - Blue

DR89G - Green

DR89R - Red

DR89W - White

Micro Folded

Hand Towel Dispenser

Ideal for settings where space is a consideration. Smaller towel, more efficient and effective in use. Simple, modern, attractive design. Holds 300 towels at full capacity reducing chance of run out. Dispenser Size: W223mm x H265mm x D100mm

DH53BK - Black

DH53BL - Blue

DH53G - Green

DH53R - Red

Katrin

KATRIN[®]

Dispensing System

The Katrin 'Inclusive' Range of dispensers are ideal for every washroom and workplace ranging from hotels, top restaurants and offices to health clinics and industrial factories. Both clean white and stylish black dispensers adapt to high-end and low-end washrooms.

Inclusive design focuses on the broader scope of users: young and elderly, able-bodied and those less able-bodied.

Dispensers are designed to give out just the right amount of paper and transparent side panels make it easy to check if refilling is needed.

Katrin System Towel Dispenser

Inserting a roll into the dispenser is done by simply letting the paper drop freely, pulling it until the marked line, and closing the cover. When paper isn't visible, there is an easy-to-use PUSH bar for paper feeding (Braille instructions are provided for visually impaired people). The whole roll is always used. Almost fully used rolls automatically drop into the stub roll position when the roll has a diameter of approx. 7.5cm. Controlled consumption, minimum resistance to draw and high capacity: 420 - 800 sheets per roll depending on quality. Dispenser Size: 403 x 355 x 216mm

DT90KIW - White

DT92KIB - Black

Katrin Hand Towel Dispensers

Mini or Medium Size

The covers opens upwards for Medium Dispensers and downwards for Mini Dispensers for easy refilling. Supporting ribs hold the stack of towels in the Medium Hand towel Dispenser, making dispensing easier and keeping the stack in place when refilling the dispenser. Maximum width on Medium Towel Dispensers is 240mm and for Mini Towel Dispensers is 210mm.

Mini Towel Dispenser Size: 350 x 248 x 114mm.

Medium Towel Dispenser Size: 450 x 301 x 146mm.

DH90KIWM - Mini - White

DH92KIBM - Mini - Black

DH90KIWD - Medium - White

DH92KIB - Medium - Black

Katrin Centrefeed Dispensers

Small or Medium Size

Easy to insert a new roll through the open space inside the loading section. No searching around inside the dispenser opening for the loose end of the paper roll. Safe cutting system.

Small Dispenser size: 344 x 186 x 174mm.

Medium Dispenser Size: 403 x 263 x 240mm

DC90KIWS - Small - White

DC92KIBS - Small - Black

DC90KIW - Medium - White

DC92KIB - Medium - Black

Katrin System Toilet Dispenser

Holds two system toilet rolls. Seamless dispensing with drop-down roll system and adjustable roll brake. Can be refilled while second roll is in use, so tissue is always available. Core-catcher available. 1360 - 1600 sheets, depending on paper quality. Dispenser Size: 402 x 154 x 174mm

DT90KIW - White

DT90KIB - Black

Katrin Gigant Dispenser

Small or Large Size

The whole paper roll can be used economically with integrated stub roll holder. Big toilet rolls for high frequency usage. Easy paper tear-off to all sides and all edges. New flexible roll brake for better dispensing.

Small Dispenser Size: 245 x 239 x 151mm (for Mini Jumbo Toilet Rolls).

Large Dispenser Size: 356 x 342 x 149mm (for Mini Jumbo or Jumbo Toilet Rolls).

DM90KIW - Small - White

DM90KIB - Small - Black

DJ90KIW - Large - White

DJ90KIB - Large - Black

Katrin Soap Dispenser

500ml or 1000ml

Easy to refill with new soap cartridge system. The full-face push cover makes using the dispenser effortless for all people. Braille instructions for visually impaired people.

500ml Dispenser Size: 204 x 100 x 125mm.

1000ml Dispenser Size: 291 x 100 x 130mm.

DS905KIW - 500ml - White

DS905KIB - 500ml - Black

DS90KIW - 1000ml - White

DS92KIB - 1000ml - Black

Katrin Waste Bin

Waste bin that holds 25 or 50 litres of paper, which means that the toilet environment stays clean. Made from ABS Plastic. Can be used with or without a lid. Can be wall mounted - freeing up floor space.

EW25KW - 25ltr - White

EW25KB - 25ltr - Black

EW50KW - 50ltr - White

EW50KB - 50ltr - Black

Katrin Blue Line Wall Dispenser

A robust, practical wall dispenser for industrial drying rolls. Roll width 40cm.

DW40K - Blue Metal

Leonardo

Dispensing System

The 'Cost and Volume in use' benefits of a Leonardo dispenser mean that less is literally more. Developing paper products that fully maximise the dispenser's capacity and controlling user consumption through dispenser innovation. Producing wipe-clean, lockable dispensers that encase the rolls, and paper products that reduce bacteria on the hands.

Twin Jumbo Toilet Roll Dispenser

High capacity dispensers. One roll fully used before the second roll can be started - no waste. Lockable Units. Stylish, durable, transparent cover with frosted finish to prevent surface scratches. Wipe clean surface. Dispenser Size: H30 x W49 x D14cm

DJT07L

Versatwin Toilet Roll Dispenser

High capacity dispensers. One roll fully used before the second roll can be started - no waste. Lockable Units. Stylish, durable, transparent cover with frosted finish to prevent surface scratches. Wipe clean surface. 250mtr 2 ply Capacity. Dispenser Size: H21 x W32.4 x D14.6cm

DT06AL

Lever Control Hand Towel Roll Dispenser

240m Capacity. Stub roll facility eliminates waste. Controlled sheet length regulating consumption. Towel dispensed flat, maximises surface area. Wipe Clean Surface. Lockable Units. Stylish, durable, transparent cover with frosted finish to prevent surface scratches. Dispenser Size: H41.9 x W32.9 x D23.5cm

DR12L

Smart Sensor Hand Towel Roll Dispenser

240m Capacity. Stub roll facility eliminates waste. Programmable sheet length regulating consumption. No-touch sensor dispensing. Battery operated. Towel dispensed flat, maximises surface area. Wipe Clean Surface. Lockable Units. Stylish, durable, transparent cover with frosted finish to prevent surface scratches. Dispenser Size: H41.9 x W29.8 x D23.5cm

DR09LS

Vendor

Dispensing System

The Vendor concepts have been developed to ensure that your washroom users have toilet tissue, soap and clean towels at all times. A toilet area which is always clean and fresh creates a positive experience. Vendor is a responsible choice when it comes to the environment. Vendor's toilet tissue and paper towels carry the Nordic Swan Label and soap has been awarded the European Ecolabel.

Toilet Roll Dispenser

The vertical toilet roll dispenser offers room for two toilet rolls and is easy to top up at any time. As soon as the bottom toilet roll has been used up, it is automatically replaced by the second (spare) roll and is immediately ready for use. Thanks to the stock indicator window in combination with a special wrapper, you can see immediately (at a glance) whether the dispenser is ready to be topped up. The toilet rolls only fit inside the dispenser in one way, which means the tissue always rolls off at the front, so ensuring optimum hygiene and convenience for your toilet users

DT20WV - White ABS Plastic

Soap Dispenser

Foam or Cartridge

You can choose between the Ocean or Procure liquid soaps for your soap dispenser. For foam soap dispensers we have a foam soap which is micro-fine and very soft to touch. All our soaps are biodegradable and have been developed 100% free from animal testing. White ABS Plastic

DS75VC - For Cartridge Liquid Soap

DS50VCF - For Cartridge Foam Soap

Toilet Seat Sanitizer

Dispenser and Refills

The toilet seat cleaner allows your toilet users to easily and hygienically clean the toilet seat. By pressing toilet paper against the dosing button, a cleaning fluid is released which you can use to quickly and effectively clean the toilet seat. The dispenser is extremely hygienic because when the cartridge is changed, the dosing pump is also replaced. White ABS Plastic Dispenser. Refills are skin friendly cleaning fluid with antibacterial action.

DZ35TS - Dispenser

CZT06V - Case / 6 x 2700 Dose Refills

Towel Cabinet Dispenser

Manual operation. Simple to use with adjustable loop length. The used paper rolls-back inside the cabinet. White ABS Plastic. With the help of the stock indicator window of the Vendor hand towel dispenser, you can clearly see at a glance whether you need to top up the towel cabinet. Easy and quick!

DR30CV - Dispenser

HV12RC - Case / 12 x 55m Cassettes

Tork

Dispensing System

Tork can offer high capacity systems to make sure you don't run out of toilet paper - with single sheet dispensing that reduce consumption by 40%. Tork Soaps are carefully developed to meet hygiene requirements in any environments while caring for the skin. Tork Industrial products are used to tackle a range of tasks, from preparing parts, cleaning before painting, improving maintenance work or quality control processes and mopping up leaked oil or other spills.

Tork Soap Dispenser

For Liquid or Spray Soap

The Tork skin care dispensers for soap and sanitisers are suitable for all kinds of washrooms - even in tough and demanding environments. Easy to use for all visitors. Easy to use for the cleaning staff. Versatile dispenser can be used for Tork Liquid and Spray Soap Cartridges with up to 3000 doses per refill. Dispenser Size: H296 x W112 x D114mm

DS56TSW - White

DS56TSB - Black

Tork SmartOne

Toilet Roll Dispenser

Single-sheet dispensing helps to reduce consumption by up to 40%. Hygienic because the guests touch only the paper they use. Extra-high capacity saves maintenance time and ensures that paper is always available. A durable design with metal key and lock that protects the roll and stops theft. Dispenser Size: H269 x W269 x D156mm

DTC29TB - Blue

Tork Top Pak Holder

Dispenser to hold the Tork General Purpose Bodyshop Wiper. Durable and slim-perfect for wall mounted convenience. Dispenser Size: H22 x W41.3 x D20cm

DW20TPX - Grey

Stainless Steel

Dispensing Systems

Centrefeed Dispenser

In a brushed stainless steel this compact and sturdy dispenser is designed in ultra modern style with slim line lock. Accommodating a full size centre feed roll, this product will easily dispense perforated or non-perforated paper. Dispenser Size: H320 x W218 x D220mm.

DC60MBS

Handtowel Dispenser

A brushed stainless steel, modern and stylish handtowel dispenser. The key lockable unit is designed to dispense either C-Fold or Multifold Interleaved paper. A level indicator is placed at the front to ensure paper is replaced when required.

Dispenser Size: H300 x W262 x D128mm. Capacity is approx 500 Paper Towels.

DH31MBS

Jumbo & Mini Jumbo Toilet Roll Dispenser

Round Jumbo Toilet Roll Dispenser: Key lockable and hinged for easy access. Has a level indicator to ensure paper is always convenient to monitor. Unit features a full back plate and functional locking system using a T-Bar lock. Dispenser Size: H320 x W320 x D125mm. Brushed Stainless Steel finish.

Square Mini Jumbo Toilet Roll Dispenser: Slim & Modern design in a quality brushed stainless steel. Key lockable and offering solid appearance as it has a fixed cover to a full back plate. Dispenser Size: H305 x W263 x D109mm

Millwood Biological

Powerful enzymes to eradicate odours

Fragranced cleaner safely removes organic staining and odour problems from all washroom surfaces with advanced biological technology to effectively degrade organic matter and prevent uric scale build-up in urinals, toilet bowls and on walls and floors.

Regular cleaning with MBWC eradicates these deposits, maintaining a cleaner, odour-free washroom. Millwood Biological Cleaner (MBWC) works biologically and may be adversely affected by bactericidal cleaners such as bleach & disinfectants.

No: 1
Seller**

Doss

Has your Air Freshener fragrance ceased to become noticeable? Do you ever get fed up with the same fragrance?

A unique automatic air freshener unit that takes two metered refills!

Dual Mode: Alternates between 1st and 2nd fragrance every 24 hours—ensuring a fresh, noticeable & different fragrance each day!

Single Mode: The 2nd refill starts when the 1st refill has finished—increasing capacity and reducing refill visits!

The compact, lockable unit operates with 4 x AA batteries.

Each refill contains 3000 sprays, offering 6000 sprays per unit.

High quality unique range of fragrances made with essential oils creating a long lasting, pleasant aroma.

See pages 16 & 32 for more information

Biodifa

The small, discreet, reliable **non-aerosol** air freshener system. The efficient dispenser operates over 6 months with 4 AA Size Batteries. Easy and complete programming. Exclusive refills of high quality fragrances:

Fruido: A heavenly mix of fruity sorbet with powdered flower notes to combine with top notes of apple and melon which ooze into lily of the valley with a hint of the woody tones of green moss.

Kiaora: Floral, fruity and contemporary. It is an attractive perfume with a vibrant top note marked with peach and coconut with a floral note of 'tiaree' and orange with a hint of vanilla and wood.

Workplace and Catering First Aid Kits in Green Box

The Specification of these kits comply in full with BS8599-1 Standard. For further details on our range - please enquire.

For our full range of first aid supplies:

**Email: sales@millwoodmarketing.co.uk
or call: 024 7633 1433**

Catering

Millwood provide professional hygiene solutions for food establishments, to ensure you meet the criteria set by the Food Standards Agency and the Environmental Health Authority. The NHS reports 96,000 cases of food borne illnesses a year, resulting in 20,000 hospitalisations and 500 deaths. 5.5 million people a year believe they have had food poisoning.

We offer a range of products that are essential for the five key areas in the kitchen: daily cleaning/degreasing, sanitising, skincare/personal care, specialist/maintenance applications and dishwashing - manual/automatic.

Our complete package includes BS EN 1276 certified sanitisers, chemical dilution control, food preparation products, dishwash/dispensing equipment, cleaning schedules, staff training and certification, HACCP and COSHH guidance.

Floorcare

High quality floorcare not only produces a great appearance but can actually protect the floor. But that protection must be maintained. 98% of floorcare problems are caused by incorrect product selection, poor preparation or the wrong method of application.

With years of experience and industry knowledge, the team at Millwood can help you keep your floors clean, non-slip and safe by selecting the best products and methods for your needs. We offer advice and training in all aspects of floorcare, including new floors, badly maintained floors, problem floors, specialist floors and constant use floors.

Remove

Heavy Duty Floor Polish Stripper

Traditional alkaline floor stripper to remove water based polish films, even those that have aged on. Effective on both metallised & non-metallised floor polishes. Ideal to strip emulsion polish from linoleum, thermoplastic floors, rubber, sealed wood & terrazzo.

CF05R - 5LTR

Zip-Strip

Rinse-Free Floor Polish Stripper

Modern, caustic-free formula reduces risk of ongoing polish problems. Rinse-free formulation reduces preparation time. Use to remove metallised & non-metallised floor polishes from PVC, thermoplastic, rubber, marble & terrazzo. Not suitable for linoleum or wood.

CF05SZ - 5LTR

Nova Starbrite

An effective fragranced emulsion polish stripper without ammonia. Will not affect linoleum pigments.

CF05NS - 5LTR

Nova Long-Life

Gloss or Satin Finish

Solids rich metallised emulsion dressing. Can be easily maintained with or without a machine. An ideal base for spray buffing and mop and buff. Leaves a Gloss or Satin Finish.

CF05NLG - Gloss - 5LTR

CF05NLS - Satin - 5LTR

Diamond Contract

High Solids Floor Polish

Acrylic polymer-based metallised floor polish; gloss with excellent slip resistance. Suitable for non-porous floors including: vinyl, thermoplastic, linoleum, rubber, asphalt, sealed wood, marble & terrazzo.

CF05D - 5LTR

Diamond Extra

Wet Look Floor Polish

High quality acrylic polymer-based metallised floor polish. Dries to a deep gloss & burnishes to an outstanding 'wet look' finish, with excellent slip-resistance. Suitable for non-porous floors.

CF05DE - 5LTR

High Solids Polish

A 25% solids metallised floor polish. No need for buffing. Dries to a high gloss finish. Use on all sealed and non porous floors

CF05H - 5LTR

PDQ

Floor Cleaner/Polish Maintainer

Removes soiling & scuff marks. Always use with a burnishing machine. Produces a slip-resistant shine. Use on vinyl, thermoplastic, linoleum, rubber, asphalt, terrazzo, marble, sealed and unsealed wood, floor tiles and stone.

CF05PD - 5LTR

Renew TD

Polymer Floor Maintainer

Re-coats & repairs floors to leave a flexible slip resistant finish, keeping floors at the peak of their appearance, restoring those that are losing their shine. Suitable for marble, terrazzo, linoleum, vinyl, rubber, tiles, stone, sealed wood & sealed cork.

CF05TD - 5LTR

Nova Restorer / Maintainer

Highly concentrated product. Creates a slip resistant surface even when polished and provides exceptional grip in both wet and dry conditions.

CF05NRM - 5LTR

Novatron

A bactericidal floor maintainer formulated to BS6424 and BS6471. Ideal for hospitals, clinics, nursing homes and canteens. Cleans, disinfects and deodorises.

CF05NT - 5LTR

Nova Safety Floor Cleaner

Swift soil removal, for deep cleaning & routine maintenance of safety floors. Bactericidal formula is an effective disinfectant for hospitals, nursing homes, schools etc. where a clean, safe floor is essential.

CF05NSF - 5LTR

Impact

Zesty Lemon Cleaning Gel

Concentrated, low foam hard surface cleaner & maintainer for regular use. Viscous yellow liquid gel. Contains natural citrus oils for lasting lemon freshness. Suitable for use on all flooring and surfaces.

CF05ZL - 5LTR

FloorIT

Green Neutral Floor Cleaner

Suitable for all hard floors. Low foaming. Leaves a fresh, lemony fragrance. Sophisticated self-levelling formulation: dries quickly and evenly over the surface without leaving patches or smears.

CF05F - 5LTR

Fresh

Daily Cleaner and Disinfectant

Clean & disinfect toilets, urinals, washroom surfaces, floors, tables, door handles, hand rails, bedsteads, desks, sunbeds, sports equipment, etc. Fresh Floral Bouquet & Wild Lemon kill 99.999% of bacteria & is effective against MRSA.

5LTR:

CS05WL - Fresh Wild Lemon

CS05FB - Fresh Floral Bouquet

CS05MP - Fresh Mountain Pine

Ultraviolet

Perfumed Cleaner and Disinfectant

With a fresh violet fragrance, formulated to be low foaming for ease of rinsing. Kills 99.999% of bacteria. Effective against MRSA. Cleans and disinfects all hard surfaces safely.

CS05V - 5LTR

Ultrafresh

Cleaner and Disinfectant

Neutral Cleaner and Disinfectant and leaves a long lasting pine fragrance. Effective against MRSA and C.Difficile.

CS05U - 5LTR

Scrub Kleen

Low Foam Cleaner

Vacuum Cleaner

The Computer Control System optimises performance by ensuring that the brush is always at the correct height. It also protects the machine, for example by shutting down the motor if there is a blockage. Other innovative and practical features include cassette style brush roller removal and an integrated wand for extended reach. S-Class filtration. 11m cleaning range. Motor - 1100W. Comes with Crevice and Upholstery nozzles. The X4 extra comes with additional extended reach hose.

Sebo BS Comfort

Vacuum Cleaner

The SEBO BS COMFORT twin motor upright vacuum cleaner has been developed to give excellent performance, outstanding reliability and easy maintenance. Its low weight and wide cleaning head makes it easy to clean large areas quickly and without fatigue. Dependable and rugged machines, they are ideal for heavy duty use. Available with 36cm or 46cm brush width.

**VC36USC - 36cm Brush Width
VC46USC - 46cm Brush Width**

Sebo Dart 1

Commercial Upright Vacuum Cleaner

The DART extends the SEBO range, offering professional performance in a lightweight, versatile and easy to manoeuvre machine. The SEBO DART is designed to be agile, user-friendly and to achieve superb cleaning results quickly, easily and economically. With a 31cm brush width, the DART 1 is ideal for small to medium sized areas. Suction Motor 1000 watt and Brush motor 175 watt. 4-level height adjustment. Auto shut off if brush jammed. On-board hose. Comes with Crevice Nozzle.

VCD1US - Light Grey

'Charles'

Wet & Dry Vacuum Cleaner

Charles has a full Twinflo™ motor and performance to give you exactly what you need. Tubes are lightweight aluminium and will never rust. Two floor nozzles, one for wet work and a superb combination nozzle for carpets and hard floors, and even that has a stainless steel high efficiency carpet plate. Add to this three smaller tools and you are ready to tackle almost anything that comes along. Comes with Kit A21A Wet and Dry Kit.

VC27CTN

'George'

Wet & Dry Vacuum Cleaner

This classic "all in one" is genuinely the family friend; dry vacuuming, wet vacuuming, scrubbing and drying hard floors, deep cleaning the carpet, cleaning the upholstery, unblocking the sink. When it comes to dry vacuuming you have big filters, use of Hepaflo dust bags, and you have a superb combination floor nozzle. In the wet mode, a simple exchange of the dry filter for the safety float valve allows any number of wet tasks to be achieved. With Kit A26A Extraction Kit.

VC15CNG

Numatic Hurricane HFM 1500G

Floor Machine

The HFM1500G series is available in a choice of 4 different speeds, 150rpm, 230rpm, 300rpm and extra HiSpeed 450rpm. Transmission of power to the floor is seamless via the long-life oil filled planetary gearbox resulting in superb handling characteristics be it scrubbing, polishing, buffing, burnishing or spray cleaning. All models are fitted as standard with our generous oversize Hurricane 1500W drive motor.

**UM15NH
(HFM 1500G)**

Twintec 1840 Machine

Exceptionally compact, yet with performance equal to bigger machines. Although designed for small and congested areas the TT1840G is equally at home in larger areas and can be used in conjunction with our cable roll, extending the cable length from 20m to 40m without any loss of performance. Brush Motor Power: 400W. Vacuum Motor Power: 300W. Capacity: 18L. Cleaning Range: 42m.

**UM40NS - Mains Powered
(TT1840G)**

**UM40NBS—Battery Powered
(TTB1840G)**

'Floor Mac'

Cleaner / Polisher Machine

Special machine for the maintenance cleaning of parquet, stone floors and linoleum. The Floor Mac runs very smooth and the antivibration system makes the machine manageable for everyone. Total Power - 290W. Cable length - 7.5m. Working Width - 33cm. Working Height - 25cm

UM13CF

Truvox Multiwash

Scrubber Dryer

The Multiwash scrubber dryer is a multi-purpose quick and effective floor cleaning machine that washes, mops, scrubs and dries on both hard and soft floor coverings in one single pass. Suitable for use on: Non-slip safety floors, low pile carpets, Escalators and travelators, Entrance Matting. Quiet in operation. Accessible and removable tanks for fast filling and emptying.

Servicing & Repairs

Is your Numatic or Sebo machine feeling rather sorry for itself? At Millwood we can repair your machine and get it back to full working order. (Other makes—please enquire)

Phone: 024 7633 1433 or email: admin@millwoodmarketing.co.uk to arrange collection of your machine. It will then be serviced and broken parts repaired or replaced. All machines will be PAT tested and a report sent to you for your records if required.

N.B. Machines purchased from Millwood and still under manufacturers guarantee may have to be returned to the manufacturer but we can arrange this on their behalf.

The IT Range

Colour-coded system for the easy training of cleaning staff

- ▶ **Simplifies staff training** Users can be taught to select correct product by looking at product's colour. Also has clear pictorial labels.
- ▶ **Improves standard of cleaning** with colour-coding.
- ▶ **Simplifies stock and re-ordering** Basic range of three or four products is all that is needed for all-round effective daily cleaning.

TERMS AND CONDITIONS

PLACING ORDERS

Please phone in your orders on: 024 7633 1433, fax: 0845 3309946, email: sales@millwoodmarketing.co.uk or online: www.millwoodmarketing.co.uk

DELIVERY

Please place orders that exceed a value of £75 (excl.VAT) to avoid a carriage charge. Carriage on deliveries outside of our normal 'delivery area' may be chargeable at cost or by quotation.

CREDIT ACCOUNT FACILITIES

Credit facilities are offered on receipt of satisfactory trade references and reports, and are subject to our terms and conditions of trading.

PAYMENT

Payment is due on presentation of invoice or (in case of approved accounts) nett 30 days from date of invoice. Returned or re-presented cheques will incur a charge of £20.00 per re-presentation. We reserve the right to charge interest at the rate of 2% per calendar month (or part of a month) on all overdue sums, and such interest will remain payable after any court judgement where this has been used as a last resort. Non-account customers may pay by cheque on receipt of an invoice (or pro-forma invoice). Alternatively payment by Visa and Mastercard is acceptable. In the case of high value items purchased by visa or Mastercard, the company reserves the right to ensure that funds are cleared before proceeding to process the order. Payment by BACS is preferred and encouraged by the company, in the interest of efficiency for both our customers and accounts department.

For your assistance our bank details are shown below:

Lloyds Bank, 30 High Street, Coventry, CV1 5RE
Sort Code: 30—93—54 Account Number: 01051601

RESERVATION OF TITLE OF GOODS

Although the risk of damage or loss to the goods shall pass to the buyer immediately upon delivery, the ownership of the goods shall not pass to the buyer until they have been paid for in full and until any other sums which are due from the buyer to the seller have also been paid in full. In the meantime, the buyer shall hold the goods as bailee and trustee for the seller and shall return them to the seller upon request and, if the buyer fails to do so, the seller

may enter the premises of the buyer to repossess the goods. Unless the contrary is proved, it shall be assumed that the buyer has sold or otherwise parted with possession of goods delivered by the seller in the same order as they were delivered, ie first in, first out.

RETURN OF GOODS FOR CREDIT

Items correctly supplied against a firm order may not be returned for credit without prior agreement and we reserve the right to levy a 15% handling charge. Goods returned for credit must include the invoice number on which they were purchased before any credit note can be issued. In any event, goods correctly supplied cannot be returned if they have been printed, personalised by or for the buyer, made to order, or are in any way deemed unfit for resale.

SHORTAGES OR NON-DELIVERY

Written notification must be received by us within three days of delivery for shortages. Notwithstanding any advice that we may give, it remains the buyer's responsibility to satisfy himself as to the fitness of the goods for any particular purpose and the goods are sold without any warranty, express or implied, as to their fitness for any particular purpose.

VALUE ADDED TAX

Prices are subject to VAT at standard rate.

REVISION OF PRICES AND SPECIFICATIONS

We will maintain prices as long as possible but they may be altered without notice. Goods will be invoiced at prices ruling at date of despatch. In line with our policy of progressive development of our product ranges, we reserve the right to alter specifications without prior notice.

APPLICATION OF THESE TERMS AND CONDITIONS

The foregoing terms and conditions shall govern all contracts we make for the supply of goods or services and shall prevail over any conditions proffered by a customer. We reserve the right to change our prices and terms & conditions as circumstances dictate. Dealings with all our valued customers are conducted on the basis of mutual trust. However, for both parties, it is preferable to establish and agree together the basis of our trading relationship with your company.

PRODUCT INFORMATION

The description of goods in this catalogue are correct to our knowledge at time of going to print. Manufacturers have the right to change specification at any time and actual colours or size may vary to images shown.
